

How to Sort and Dispose of Household Garbage in Omaezaki

Regarding the business garbage from shops, firms, factories, offices, etc., please ensure to bring to the disposal center directly, or contact a licensed contractor to request a garbage collection.

Flammable	<p>Bring old newspapers, magazines, cardboard boxes, papers, milk cartons, old clothes, to the recycling stations at the city office (Main / Branch)</p> <p>Sort dirty plastic bags, dirty packaging, vinyl ropes, disposable cutlery, pet litters, hardened waste cooking oil, etc. as "Flammable"</p>
	<p>Clean plastic food trays, and bring to the recycling box placed at supermarkets. *Sort as Flammable when dirty.</p>
Vinyl / Plastic	<p>*Sort plastic items as "Can / Metal" when they contain metal parts, e.g., fittings, which do not come off easily.</p> <p>*Bring to disposal center directly when the items do not fit in the garbage bag.</p>
PET Bottle	<p>Sort caps and labels as "Vinyl / Plastic with Recycling Mark".</p>
Can / Metal	
Ceramic Ware	<p>Remove the caps, and wash out. (Must wrap with a paper when broken)</p>
Battery	

Over-sized Garbage to Bring to Disposal Center Directory (Garbage that cannot be collected at collection points)

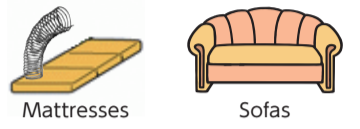

Disposal Fee

Household	51 yen per 10kgs
Business	156 yen per 10kgs

*This fee applies on all brought-in garbage including those packed in the garbage bag.

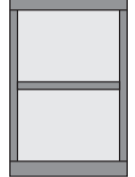

Bring in during the open hours:
8:30 to 12:00 or 13:00 to 16:30
On weekdays (Monday to Friday), and second and fourth Sundays

Accepted anytime during open hours

Springs must be removed

Remove metal fittings when bringing large furniture items such as wardrobe, chest, etc.

Screen doors / Aluminium window frames

Laundry poles
Collected at collection points when shorter than 2 meters (Must attach a certificate stamp)

To be incinerated

Cut into max. 50 cm squares, and remove metal fittings when bringing wooden pallets, wooden doors, etc.

To be recycled

Cut off the branches. Cut into max. 10 cm x 10 cm x 50 cm pieces when bringing decayed or painted wood.
***Oleander**: Cut into max. 50 cm pieces, and bundle them on its own. Do not mix with other trees.

Disposal Fee (Roof Tile / Brick)

Household	300 yen per 0.5 tons
Business	1,010 yen per 0.5 tons

Make an appointment with the disposal center to bring such items. Please note that gypsum boards are not accepted.

Exception (Specific Days Only)

Bring to the disposal center on fourth Tuesdays (or the following Wednesday when marked as the national holiday, and third Tuesday for Dec).
*Disposal fee varies depending on the item.

Agricultural equipment that has engines, e.g., grass cutters, cultivators, etc., boilers, water heaters, oil heaters, car batteries, massage chairs, e-bikes, generators, etc.
